History & Brief Introduction

Established in 2003. We are most trusted water purification service provider in Pakistan and proudly present our services in all of water treatments Systems. We do not pretend to be "all things to all people", or the "best at everything", Our goal is to develop long term, mutually beneficial partnerships with companies that require our core product and service offerings. Now we have grown and fully matured in manufacturing of Commercial & Industrial Water Treatment Systems. Now we are leading manufacturer, Distributor, Supplier and most importantly service provider of all kind of water treatment plants. We have patent consultancy concerning about water chemistry, water engineering from designing, commissioning to operation of plants.

Mission of Chief Engineer

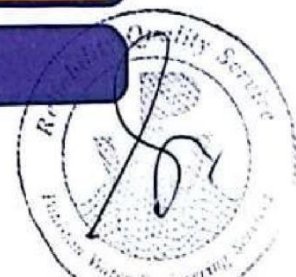

Provide Safe & Healthy Drinking Water through Economical & Inexpensive Solution to Community & Client with Reliable & Quality Services.

Manufacturing

- Reverse Osmosis (R.O) Water Treatment Systems
- Ultra Filtration (UF) Water Treatment Systems
- UV Sterilization Water Treatment Systems
- Water Softeners
- Whole House Filtration Plants
- Industrial/Commercial Water Treatment Plant
- Mineral Water Plants
- Swimming Pool Filter Plants
- Dairy & Poultry Filter Plants
- Industrial De- Mineralization Plants
- Water Cooler
- Double Pass R.O. Plants
- Recharging Well
- Civil Construction Work

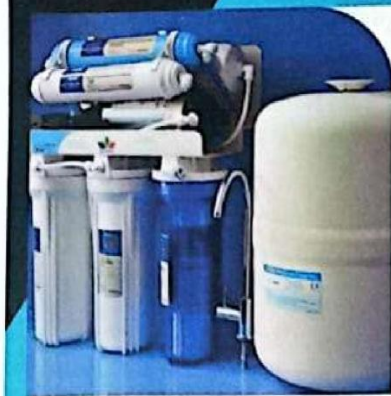

Accessories

- Cartridges
- Membranes
- Three Way Valve (Digital + Manual)
- Flow Meters
- Faucet
- Water Meter (D+A)
- U.V. Box 10", 20", 33"
- Automation & Controls Accessories
- Softener Controllers
- Teflon Tape
- TDS Controller
- R.O. Instrument
- R.O. Parts
- R.O. UV Choke
- Pressure - Gauge
- R.O. TDS Adjuster
- Float Switches (Level Switches)
- Spanner
- Bench Top Bottled Water Cap & Stand
- Bottled Water Pump Manual
- Monitors

Chemicals

- Boiler Chemicals
- R.O. Membrane Washing Chemical
- Descaling
- Bottle Washing
- Sterilization
- Cleaning Chemicals
- Anti-Scalant Chemicals
- Chemical Dosing System
